

SENIORS – Request Your Student Account Money in May

If you are a graduating senior, or a student who will not be returning to the DGS Choir Program the following school year, and you have a money balance remaining in your Choir Student Account, ***in the month of May you should submit a request*** that any remaining balance be either refunded to you, or transferred to a sibling in the DGS Choir Program.

2010 DEADLINE: You must submit your final requests for reimbursement by end of day Friday, **May 14, 2010!**

Don't lose your money! Failure to submit a refund request by the deadline shall result in forfeiture of your Student Account monies. Such monies are transferred to the Choral Boosters Account General Fund for use in the following school year.

How do I get money out of my DGS Choir Student Account? Simply complete a DGS Choir Student Account Refund Request Form, which is available in the Choir Room, or from your Choir Director, or online at <<http://www.dgschoir.org/htm/StudentAccounts.htm>>. Completed forms can be mailed to the DGS Fine Arts Dept., or deposited in the choir mailbox in the Choir Room. Requested reimbursements will be deducted from the individual student account balance and a check will be mailed, or the money applied to the designated recipient.

Any questions concerning your Student Account, please contact John Kohls-DGS Choral Boosters Treasurer at <johnkohls@sbcglobal.net>; cell: (847) 404-3627.
